One of the most extraordinary cases of only olds of which we are read, took place in the lown of Coral, Melfoury county, last Tuceday, mader the following circum stances: A boy named Van Viele-leu years old—whose mother died some days diece, had ever since her demise reperateuly declared that he would soon jobs her; and atthough but little notice was siken of this, it was observed that the child was a prey to melancholy. On Iucaday a pet lamb, low which the child contributed great affection, was killed by a bug, and it access the little reliow resolved to put an end to bis existence, while the did by hanging binned in the father's brine. The body was found in a kneeling position. The role with whech the little fellow strangled hishard being low long, it is supposed that he first tied too rope around his neck, then monated a sack filled with grait, and then jumping from the sack on his buces, hroke his arck by the init.

The role with washended with grait, and then jumping from the sack on his buces, hroke his arck by the init.

The role with washended with grait, and then jumping from the sack on his buces, hroke his arck by the init.
